public awareness

environmental issues

ISSUE - CULTURAL

◆ The degradation of traditions

◆ The change of perception

◆ The gap of the identity

◆ Population

◆ Clothes

◆ Architecture

◆ Dancing, handcrafts, music etc.

ISSUE - MASTERPLAN

LACK OF PARTICIPATION

the master plan hasn't fully reflected the needs of the local community

EXAMPLES

Arts and cultural center (education)

Green playgrounds

Eco-friendly waste management

lake vendors built env. office

WHAT'S NEXT?

WHAT WE WANT TO EXPLORE MORE ?

What the priority of the master-plan is ?

Habitat suitability level of the lake as far as the increasing of living organisms
